The establishment of International Spanish Academies is the result of committed collaboration between school districts in the United States & Canada and The Ministry of Education, Culture and Sports in Spain

FROM THE SPANISH EDUCATION OFFICE

Greetings to all members of our ISA family!

The Spanish Education Office in the United States and Canada is proud of its partnership with our network of 138 schools from these two countries, which are a role model of quality dual language education programs in English and Spanish. After a few years of rapid expansion, we would now like to move to a new stage where we can focus on deepening and strengthening this program. An essential ingredient will be promoting cohesion among our members, and one of the best ways to achieve this is by providing the means for our schools to get to know who their partners are, what they do and how they can interact with each other. I believe this new initiative, our ISA Newsletter, can contribute to this effort, and I would like to encourage all of our schools to participate and collaborate in it.

I take this opportunity to thank all ISA members for their excellent work.

¡Bienvenidos!

*María José Fabre González
Counselor of Education for the USA and Canada
Embassy of Spain*

¡Saludos a todos los miembros de nuestra gran familia ISA!

Para la Consejería de Educación de España en los Estados Unidos y Canadá, es un orgullo colaborar con esta red de 138 escuelas en estos dos países que son un ejemplo y un modelo de calidad por sus programas de enseñanza dual en español e inglés. Después de unos años de rápida expansión, queremos comenzar ahora una fase de profundización y refuerzo de este programa, y esto pasa por propiciar la cohesión entre nuestros miembros. Una de las mejores maneras de conseguir esto es facilitando que las escuelas sepan quiénes son sus socios, qué es lo que hacen y que puedan interactuar entre sí. Creo que este boletín ISA que nace ahora puede contribuir a esta labor, y animo a todas nuestras escuelas a participar y colaborar en él. Aprovecho para dar las gracias a todos los miembros ISA por su magnífico trabajo.

¡Bienvenidos!

*María José Fabre González
Consejera de Educación en Estados Unidos y Canadá
Embajada de España*
